

ANGLICAN
SCHOOL ASSOCIATION

The Anglican School Association
4333 Cole Avenue
Dallas, TX 75205
214.521.6062

Welcome! To begin the membership request process, per your school's interest in the standards of membership, complete this form and return it to the address above. Upon membership all your teachers will be included in the ASA's Society of Saint Bede, at no cost to them, and they may pursue certification, as qualified. *You and your teachers should become familiar with the Vision Document, also available on the "Resources" page.* Please complete the information below and return this form with the appropriate dues.

Resources made available to your school include certification of your teachers, full use of the continuing education of The Society of Saint Bede, listing on the website directory, use of the job notices bulletin board, and the pursuit of ASA accreditation. *We hope you will pursue accreditation, introduce your teachers to their colleagues, strengthen and establish more Anglican parish schools, and take full advantage of continuing education, curricular resources, job postings, and conferences available to you.* Our prayer is that in twenty years from now half of all Anglican parishes will include quality day schools as part of their parish ministry.

The Rev'd John P. Boonzaaijer
Chairman
